

Home Reading at Sir William Burrough

9th October 2025

Dear Parents/Carers,

Thank you for your engagement with reading at home. This is a reminder that RWI phonic books are to be returned and changed on a **Monday**. Children begin a new book on a Monday and it is important your children have chance to practise the correct book. Unreturned books may prevent children in other phonic groups from being able to access at home.

<u>A library book</u> Enjoy at home – bring back to change on library days. Please return any library books borrowed over the summer.		During the weekly library slot (see times for your class below).
<u>A book at child's own level</u> Please bring this book to school daily as there may be time to read this during the school day.
