

# Access to Fostering scheme

Are you curious about becoming a Foster Carer, but need support with the process?

Join the Open College Network accredited course

You will learn about:

- The role of the Foster Carer
- The skills needed to become a Foster Carer
- Child development and attachment
- Supporting children's learning
- Supporting children's health and wellbeing
- Keeping children safe from harm

To find out more and to see if you may be eligible to join the course, contact us at: [fostering.training@towerhamlets.gov.uk](mailto:fostering.training@towerhamlets.gov.uk) leaving your name and a telephone number.

The 11-week course starts on Wednesday, 12 March.

This course is a co-production between the Parent & Family Support Service and Fostering
