School Library Refurbishment- Grand Opening

Dear Parents/Carers,

We are delighted to share some exciting news with you- our school library has been beautifully refurbished and is now ready to welcome our children into an inspiring, vibrant space ready for reading, learning and discovery. This refurbished space proudly boasts a wide range of exciting and diverse books that reflect and celebrate the rich backgrounds and interests of our school community.

To celebrate this, we will be holding a Grand Opening Event on Thursday 5th June for the children. This special day will include a range of activities to build on our school's love of reading and further inspire our children's passion for books.

We are thrilled to be welcoming Rob Biddulph, a well-known author and illustrator, who will be running a workshop with our reception children in the morning. In the afternoon, Rob will also lead two assemblies- one for Adventurers (Years 1 and 2) and another for Pioneers and Trailblazers (Years 3-6) later in the afternoon- where he will share his passion for storytelling and creativity.

Our school council will take part in the official ribbon-cutting ceremony, joined by representatives from the National Literacy Trust, Peter's Books for Schools (who have both funded the refurbishment) as well as our school governors.

We look forward to seeing how our children enjoy this wonderful new space and will keep you updated on how we plan to use the library over the coming term and into the next academic year, including exploring the potential for families to enjoy this library space with your children too.

Warm regards,

Karyce Maitland

Deputy Headteacher
