

Christmas Parties!

11th December

The children's Christmas parties will take place on 11th December. Please add your child to school with some food to share with the class.

Due to allergies and health concerns for our students these must be shop bought, nut free and also cannot state 'may contain nuts' on the packaging. Items that include nuts or may contain traces of nuts will be handed back to families at the end of the day and the children will not be able to eat them in class. We do not allow any hard-boiled sweets or homemade items in school, and an ingredients list must be present on all food items for allergy reasons.
