

Year 2

End of year expectations

A guide for
parents and carers

Introduction

This booklet provides information for parents and carers on the end of year expectations for children in our school. The staff have identified these expectations as being the minimum requirements your child must meet in order to ensure continued progress throughout the following year.

All the objectives will be worked on throughout the year and will be the focus of direct teaching. Any extra support you can provide in helping your children to achieve these is greatly valued.

If you have any queries regarding the content of this booklet or want support in knowing how best to help your child please talk to your child's teacher.

What can I do to help my child?

Read books with your child and talk about the story, the poems or the information in them. What parts of the book have they enjoyed the most and why?

Allow your child to read at their own pace and encourage them to re-read their favourite stories. This will help to begin recognising familiar letters and words.

Remember that reading isn't just about books – make the most of shop and street signs when you are out and about. Why not ask your child to find out what a DVD is about by reading the back of the box.

Writing

- Write different kinds of sentence: statement, question, exclamation, command.
- Use expanded noun phrases to add description and specification.
- Write using subordination (when, if, that, because) and co-ordination (or, and, but).
- Correct and consistent use of present tense and past tense.
- Correct use of verb tenses.
- Write with correct and consistent use of: capital letters; full stops; question marks; exclamation marks.
- Use commas in a list.
- Use apostrophe to mark omission and singular possession in nouns.
- Write under headings.
- Write lower case letters correct size relative to one another.
- Show evidence of diagonal and horizontal strokes to join handwriting.

What can I do to help my child?

Encourage your child to want to write. Let them use crayons, pencils, felt-tips and paints to make patterns and pictures.

Write down a story your child tells you—they will learn through what they see. Get them to suggest words and phrases.

Find lots of opportunities to write together—make lists before you go shopping, and write letters to friends and family. Help them to make their own books, posters or labels for things in their room.

Ways you can help your child succeed...

There are lots of ways parents and carers can help children at home, but making sure they regularly complete their homework and hand it in on time is essential.

It would also help if you could:

- Ensure your child has a calm quiet working space.
- Talk with your child about what they are learning and the homework they have been set.
- Visit the library regularly.

Ideally parents should read with or listen to their children daily to help them to develop fluency, confidence and a love for reading. We ask parents and carers in Foundation Stage and Key Stage One to sign and record comments in their child's Reading Diary to show that they have heard their child read and to maintain a dialogue between home and school of how well their child is reading.

If parents and carers have any questions about homework or their child's learning they should, in the first instance, contact their child's class teacher.
